

# T-ONE COACH

T-One Coach is a 4-channel electrotherapy device recommended for occasional or amateur athletes for trauma prevention and muscle strengthening.

## KIT

- ✓ T-One Coach
- ✓ 4 connection cables (8 connectable electrodes)
- ✓ Self-adhesive square electrodes
- ✓ Self-adhesive rectangular electrodes
- ✓ Self-adhesive round electrodes
- ✓ Ni-MH rechargeable battery
- ✓ Battery charger
- ✓ User manual
- ✓ Electrodes position manual
- ✓ Carrying bag

## MEDICAL DEVICE CLASS IIa

T-ONE COACH is a medical device CE0068

## TECHNICAL FEATURES

- ✓ Four independent channels unit (up to 8 connectable electrodes)
- ✓ Constant current generator (can guarantee a constant current even when skin condition changes, the device automatically stops in the event of accidental electrodes disconnection)
- ✓ Compensated biphasic square wave: current quantity from positive pole to negative one is constant to avoid polarization effect
- ✓ 2+2 users programs
- ✓ Backlight graphic colour display
- ✓ User feedback: the device recognizes patient connection
- ✓ Soft-touch easy to use keyboard
- ✓ On – line guide on display for fast instructions;
- ✓ 4,8 V rechargeable battery pack;
- ✓ Personalized programs for man and woman;
- ✓ Adjustable intensity from 1 to 120 mA
- ✓ Frequency 1 ÷ 150 Hz
- ✓ Width impulse 20 ÷ 300 µs
- ✓ Preadjusted time for each program

## DIMENSIONS

150 x 90 x 35 mm
